Subject No. 441
Duty of maintaining tanks by raiyats.

Summary of discussion.—Instead of compelling raiyats to do the earthwork of Vijapur and other tanks and to raise the bunds thereof to the level of the grade stones fixed on them, it is a question for consideration whether the sale proceeds of fishery should not be utilised towards the cost of such work, the balance, if any, being borne by Government.

Reply of Government.—This cannot be done. It is for the raiyats to maintain tanks once restored to standard. This has been so often decided that the question is not open to discussion now.

Subject No. 442

Subject No. 443
Restoration of Venugopalaswami temple.

Summary of discussion.—The temple of Venugopalaswami in the village of Kottekere is an ancient building with some pretensions to architectural excellence, but it is at present in dilapidated state. The contributions collected from the raiyats being inadequate for the restoration of the building, Government may carry out the work and sanction a small monthly grant for the daily performance of pooja.

Reply of Government.—Referred to the Muzrai Superintendent for disposal.

Subject No. 444
Location of an Assistant Commissioner at Chamrajnagar.

Summary of discussion.—The Assistant Commissioner in charge of Chamrajnagar and other adjacent Taluks should have his head quarters at Chamrajnagar instead of at Mysore. There is a great deal to be said in favor of this proposal and very little in favor of the present arrangement.

Per contra, Mr. A. Ramanna of the Mysore City Municipality advocated the continuance of the Assistant Commissioner's Court at Mysore and dwelt at some length upon the advantages of the present arrangement over the proposed one.

Reply of Government.—The question is under the consideration of Government.

Subject No 445
Tasdik of Divyalingesvaraswami temple.

Summary of discussion.—The small tasdik now enjoyed by the Divyalingesvaraswami temple at Haradanahalli is wholly insufficient for the upkeep of this important institution and may be increased from the savings at the credit of the Chamarajesvaraswami temple at Chamrajnagar.
